## CHARTERED PROFESSIONAL ACCOUNTANTS

#### INDEPENDENT AUDITOR'S REPORT

To the Members of Visions of Independence Inc.

#### Opinion

We have audited the financial statements of Visions of Independence Inc. (the Organization), which comprise the statement of financial position as at March 31, 2023, and the statements of revenues and expenditures, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2023, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO)

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Matter

The financial statements for the year ended March 31, 2022 were audited by another auditor who expressed an unmodified opinion on those financial statements on September 21, 2022.

#### Other Information

Management is responsible for the other information. The other information comprises the information, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

## CHARTERED PROFESSIONAL ACCOUNTANTS

Independent Auditor's Report to the Members of Visions of Independence Inc. (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements Year Ended March 31, 2023

#### PURPOSE OF THE ORGANIZATION

Visions of Independence Inc. (the "Organization") is a not-for-profit organization of Manitoba. As a registered charity the Organization is exempt from the payment of income tax under Subsection 149(1) of the Income Tax Act.

The purpose of the Organization is to provide housing and other support to individuals with intellectual disabilities.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

#### Capital Assets

Capital assets are stated at cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives on a straight-line basis at the following rates:

Buildings25 yearsComputer software5 yearsFurniture and fixtures5 yearsLeasehold improvements5 yearsMotor vehicles5 years

Contributed tangible capital assets are recorded at fair value at the date of contribution and are amortized, unless fair value is not determinable in which case contributed tangible capital assets are recorded at nominal value at the date of contribution.

Capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

#### Goods and services tax

Purchased materials and services are recoverable at 50% as a rebate. The unrecoverable portion is recorded as an expense with the rebate treated as a receivable.

(continues)

### Notes to Financial Statements Year Ended March 31, 2023

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Revenue recognition

Visions of Independence Inc. follows the deferral method of accounting for contributions which include donations and government grants.

The Organization is funded primarily by the Department of Families of the Province of Manitoba in accordance with budget arrangements established by the Province. Operating grants are recorded as revenue in the period to which they relate. Grants approved but not received at the end of an accounting period are accrued. Where a portion of a grant relates to a future period, it is deferred and recognized in the subsequent period. These financial statements reflect agreed, funding arrangements by the Province with respect to the year ended March 31, 2023.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted contributions for the purchase of property and equipment are deferred and recognized as revenue on the same basis as the amortization expense related to the acquired property and equipment.

Rental income is recognized in accordance with the terms established between the Organization and the tenant.

Program, fundraising, donation and miscellaneous revenues are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonable assured.

Interest income is recognized when earned.

#### Leases

Leases are classified as either capital or operating leases. At the time the Organization enters into a capital lease, an asset is recorded with its related long-term obligation to reflect the acquisition and financing. Rental payments under operating leases are expensed as incurred.

#### Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

#### Financial instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

#### 7. COMMITMENTS

#### **Operating Lease**

The Organization has future rental and operating lease commitments on properties totaling \$169,023 (2022 - \$61,311) over the next fiscal year.

#### Capital Lease

The Organization leases its vehicles for 5 years which have a net carrying amount of \$46,315 (2022 - \$88,216) which is classified as capital leases as the rental period amounts to estimated useful life of the assets concerned and often has a right to purchase the assets outright at the end of the minimum lease term by paying a nominal amount or at guaranteed residual amount. Capital lease obligations are secured by the assets under lease. The obligations bear interest at ranges from 3.48% to 5.69% and the Organization recognized \$3,288 (2022 - \$5,282) of interest expense related to the lease obligations. Future minimum lease payments as at year end are as follows:

2024 2025	\$ 32,133 23,780
	\$ 55,913

## Notes to Financial Statements Year Ended March 31, 2023

#### DEFERRED CONTRIBUTIONS

The balance represents the unamortized amount of contributions received for the purchase or acquisition of capital assets. The amortization of contributions is recorded as revenue in the statement of operations.

#### 10. PENSION PLAN

The Organization has a defined contribution registered retirement savings plan for full-time employees. The contributions are held in trust by Assiniboine Credit Union Limited and are not recorded in these financial statements. The Organization matches employee contributions at a rate of 3% of the employee salary to a maximum of \$500 per year. The expense and payments for the year ended March 31, 2023 was \$72,569 (2022 - \$67,020). As a defined contribution registered retirement savings plan, the Organization has no further liability or obligation for future contributions to fund future benefits to plan members.

## Notes to Financial Statements Year Ended March 31, 2023

#### 11. FINANCIAL INSTRUMENTS

The Organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Organization's risk exposure and concentration as of March 31, 2023.

#### Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Organization is exposed to credit risk from customers. In order to reduce its credit risk, the Organization reviews a new customer's credit history before extending credit and conducts regular reviews of its existing customers' credit performance. The Organization is not exposed to significant credit risk as the majority of accounts receivable is from the Province of Manitoba and cash is kept in low-risk investment vehicles such as chequing and savings accounts.

#### Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Organization is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, long term debt, obligations under capital leases, contributions to the pension plan, and accounts payable and accrued liabilities.

#### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The Organization is mainly exposed to interest rate risk.

#### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Organization manages exposure through its normal operating and financing activities. The Organization is exposed to interest rate risk primarily through its floating interest rate bank indebtedness and credit facilities.

Unless otherwise noted, it is management's opinion that the Organization is not exposed to significant other price risks arising from these financial instruments.

#### 12. ECONOMIC DEPENDENCE

The Organization receives a major portion of its revenues pursuant to a funding arrangement with the Province of Manitoba

#### 13. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.

## Administrative, grants and properties - Schedule One Year Ended March 31, 2023

(Schedule 1)
